Welcome...

Welcome to the PaMPITO 2010 Auckland Graduation Ceremony.

Guest of Honour

We are delighted to welcome Valerie Adams, reigning World, Olympic and Commonwealth Games Champion Shot Putter. At the age of 27 Valerie is ranked number one in the world, holding the New Zealand, Oceania and Commonwealth Games record for a shot put with a personal best of 21.07 metres. Valerie first came to prominence in 2001 at the World Youth Championships.

Valerie was named the 2009, 2008 and 2007 Halberg Supreme award winner, and the 2006 Halberg Sportswoman of the year. She was also awarded the NZOC Lonsdale Cup award for two consecutive years in 2006 and 2007 for her achievements, a great honour at such a young age. Valerie was also awarded a QSM at the New Years Honours list of 2009.

PaMPITO Chairman

Stephen Falvey has served on PaMPITO's Board for the last two years representing the plastics industry, and has been Chairman since August 2009. Stephen owns a plastics injection moulding company, Uniplas Ltd, in Lower Hutt and has worked in the plastics and chemical industry since 1972. In spite of his 30 plus years in the industry, he is still fascinated by the continuing advances in plastics technology and the opportunities it offers for new business and career opportunities.

Master of Ceremonies

Barbara Wilkinson, Chief Executive of PaMPITO, will emcee the ceremony this evening. Barbara joined PaMPITO in 2007. Her vision for our sectors is for excellence in industry through PaMPITO partnership and to ensure our industries have the skills they need to be successful.
